

Parking Plan & Dressing Room Information

Enter Weslaco East HS from Business 83, Turn right onto Wildcats Drive, Due to construction on the back end where we normally have weigh-ins. This year they will take place in our field house (same building as hospitality room) on the sub-varsity side. We will walk lifters over from the gym, 10 at a time. Also, because classes are still in session, we can not have schools show up before 4:00 pm. Security guards have been instructed not to let any school in until 4pm. Please help facilitate this on your end. Designated Parking areas will be provided for the buses as shown on the map. Saturday morning we will use the portable building located in the parking lot (they will be labeled). We will continue to use the weightroom to warm up.
