Coaches,

I hope that your season is going well, and you are seeing your athletes reach the goals that they set to achieve. Below I have listed some important information that you need to know in preparation for the Regional and State meets.

<u>Athlete Names</u> - If you've set up a roster, that's great. I know we (by we I mean me) had some issues with the roster stuff, but it's not a 100% necessity. But, y'all have already been very good about this, but check and make sure that all your lifters' names are correct on the website. If there are any errors or double listings due to misspellings let me know; this is how they will appear in the programs and on the lifter cards at the Regional and State meet.

<u>Last Qualifying Date</u> - Saturday, February 22, 2025. All results from any qualifying meets should be sent in by midnight on the 22nd. No results will be accepted after that time (which isn't too big of a deal, y'all are great at getting me your meet results). *ALL Judges must be certified for LCQ Meets*

<u>Weight Declaration</u> - If you have any lifters who are qualified in more than one weight class, you must declare his weight class by 4:00 pm on Monday, February 24th. If you do not declare by this time, the lifter will be placed in the heavier weight class. Also, if you have any qualified lifters who are not going to compete at the Regional Meet, please let me know by 4:00 P.M. that day, February 24th. You must contact me by email or cell phone (preferably email). If you fail to remove a lifter, you will still be responsible for the \$35.00 entry fee. **The top 12 lifters in each weight class qualify for the Regional Meet.**
